Dear Dr. Tate:

Due to our several movements and to the necessary work such movements entail, we have not found time to reply to the communication concerning the Promethians. Our interest in the project, however, is not the least bit lessened. In fact, we are very eager to learn of the present activities.

Though we no longer enjoy the benefits that were ours at Howard University, it would be a grave mistake to allow the associations formed there to pass without an effort to maintain and strengthen them. It seems difficult to accomplish much now, but if we all maintain contact until a meeting is possible, many worthwhile projects may be undertaken.

We feel that we are behind in our dues. We therefore enclose a postal money order for twelve dollars (\$12.00) to bring our payments up to date. We are very eager to know the present status of the organization and any other information concerning our associates.

Sincerely yours,

Clinton A. Mitcham
